CRAFTED WITH QUALITY™

Since 1926, professional painters have been turning to Bestt Liebco® for tools they can trust. Our quality applicators are competitively priced to meet the needs of today's painting contractor.

For the 90-plus years we've been in business, professional painters have asked for our products by name, because their livelihoods depend on our reliability.

Reputation Founded as Lieberman Brush in Philadelphia, Liebco Brush quickly became a nationally recognized name in the painting trade as professional painters throughout the country sought out our brushes and spread the word. In 1969, Liebco acquired America's first and finest roller company, Bestt Roller of Fond du Lac, Wisconsin, and became Bestt Liebco®, a full-line paint applicator company. Commitment to providing the finest-quality products at competitive prices has proven to be our formula for success. Our customers

recognize Bestt Liebco® as the "Best Value in the World" in paint applicators.

Sales Support Our professional, well-trained, national sales force can assist you in growing your customer base and providing you with timely, accurate product information. As knowledgeable painting tool experts, they will also help your employees easily understand our product line and provide them with the information and the expertise they need to sell better-grade applicators.
